I was really happy to move into the new flat. The apartment was a five-room apartment in the center of Washington. The apartment is decorated in a youth style, it was quite expensive. I moved into this apartment because I used to live in a house separated from everything.

There are shops very conveniently located near my house. A shopping center will open here very soon. The previous owner of this house was very kind and we had no problems with the documents. because of this, my family will be very happy to live in this beautiful apartment. Thank you very much.

For your attention.
